Galaxy Painting

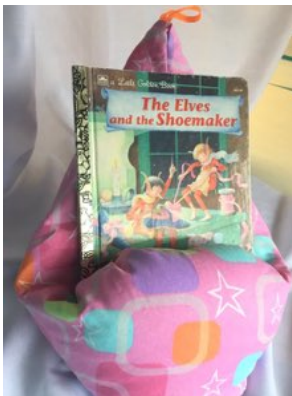

This class is all about good painty, messy fun. We'll make galaxy paintings using a variety of techniques in the morning and then we'll spend the afternoon using our paintings to create useful things such as notebook covers, envelopes & boxes.

FULL DAY or MORNING ONLY

Book Beanbag

A seat for your book - 'sew' useful for hands-free reading!

Crazy Desk Friends

Designed to stand on a desk or table these colourful characters will brighten up your world.

Noted

Create this stand alone notecard holder and a matching pen. (A Mother's day present perhaps?)

Model Making

From making a skeleton out of wire and foil, to covering with plaster and finally painting - this **full day** class will be lots of messy fun!

Garden Sparklers

These wire and beaded sparklers are fun to make. Add beautiful movement and colour in your garden to get you through the dull winter months.

Marble Challenge

Set up this fun and challenging game to play with your friends. Get your marbles through the tunnels and add up the points to see who wins.

Sewing Skills Sampler

Learn some different stitch styles, sew on buttons and make fabric yo-yos to create a finished sampler which will look great on your wall.

Puppet Pets

These pets can be trained to perfection. They'll dance, sit, walk all on your command and you can dress them in all kinds of bright colours too!

For kids 7 and up!

Surprise Cards

Make some surprising cards to have ready to give to friends and family.
