### Juggling

Ever wanted to join the circus? Spend the day making juggling sticks and a set of juggling balls. Then learn some tips on keeping them in the air.

### Sweet Dispenser

This sweet little box has a very yummy reason to be made!

### Painting with Glitter

Yes, this will get messy - but the finished result will be a stunning piece of on-trend art.

Early drop off/late pick up available. Surcharge (\$8) per child applies.

### Key Keeper

Paint, paper and decorate this little wooden cupboard as a perfect place to store your keys. **FULL DAY**

### Donut Madness

Donut decorating at it's healthiest! Make a string of donuts to decorate your room or leave them off the string to play a memory matching game.

For kids 7 and up!

### Light Box

Build this clever lightbox out of cd cases then create some interchangeable inserts to keep it interesting.

Don't miss out!

### Tote-ally T-Shirts

Recycle your old t-shirts into a colourful floor mat, or make some reusable tote bags to help eliminate plastic. **BYO hula hoop if you have one (it won't be damaged) and old t-shirts would be helpful too.**

### Cats vs Dogs

Are you a cat person or a dog person? We think these cute cat and dog cards will appeal to everyone!

### Birthday Calendar

Need a visual reminder of the important birthdays you have coming up throughout the year? Bring some passport sized photos to personalise your tray. **FULL DAY**

### Sock Softies

Take two socks, some stuffing and a little bit of stitching to create a cute sock softy of your own.

### Super Masks

Take a few simple 'super' symbols and combine them to create your own super styled mask.

Join us for a session, a day ... or a week!
