Banners and Lights

Make some string balls, create a simple string of stars and add fairy lights to make them sparkle.

Felt Board

Make your own storyboard with movable characters and props using felt.

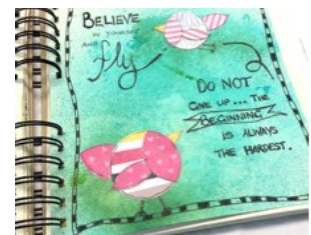

Geometric Mirrors

Paint geometric patterns to make an eye-catching mirror for your room.

Art Journaling

Explore with new mixed media art supplies and express yourself with some FUN arty background techniques.

Cool Candles

Roll your own beeswax candles and learn how to decorate cool candles.

Connect Four

Four in a row wins! Create your own game using your favourite cuttlebug shapes.

Early drop off/late pick up available. Surcharge (\$8) per child applies.

Mini Milk Cartons

Use this new cuttlebug die to create these cute little boxes. Decorate and fill with a yummy surprise to make a perfect little gift.

Animal Envelopes

Ever looked at an envelope and seen a penguin? You will after this class. Envelopes will never look the same again!

Corrugated Creations

Simply roll strips of card to construct FUN and quirky creations.

For kids 7 and up!

Marvellous Masks

Decorate a mask for your next dress up occasion or hang them on your wall as a funky display item.

Fluffy Pets

Create your own furry creatures to keep you company. Note: some sewing required!

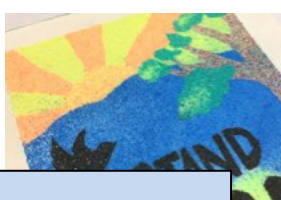

Paper Bag Puppets

Let your imagination go wild and create some paper bag puppets filled with playful personality.

Sand Art

Always a favourite. Make your own sand pictures and fill a bottle with layers of coloured sand.

Birds Nests

Can you create a nest like a bird? Use a variety of art materials to weave this gorgeous centrepiece for your spring table.

Christmas Countdown

Christmas might seem ages away, but you'll be all set to countdown once you've made this chimney for Santa to slide down.

Cards, Cards, Cards

Make a simple card folder then keep creating until it's filled with cards ready to give on any occasion.
