### Card Techniques

Learn how to make cards that have moving parts that spin, twist and twirl.

Early drop off/late pick up available. Surcharge (\$8) per child applies.

### Slime Skills

Explore some safe slime recipes and decorate a cool container to keep it in.

### In a Spin

Stop fidgeting and start creating. Make a DIY fidget spinner, do fidget spinner art and learn how to make a fidget spinner card.

### Shadow Theatre

Presenting shadow plays in Craft House style. Make your theatre, create your characters and put on your own shadow play.

### Bird Cage Banner

These birds in cages make an eye-catching banner when strung together.

### Snapped

Create some fun photo booth props to take home, snap some photos and then create a cool little album to put the prints in.

### Covered<sup>5</sup>

Make a cover for a tissue box using squares - will yours look like a Rubic's cube or maybe a Minecraft block?

For kids 7 and up!

### Forgotten Fantasy Creatures

**B.Y.O jar**, add paint, ink and funky textures to house your fantastic forgotten creature sample.

### Felted Friends

Learn the art of needle felting and create some cute felted friends to care for.

### Designer Door

Paint and decorate this wooden door to be fit for a fairy, enchanting for an elf or even home for a hobbit.

### Shrink It

Stamp it, colour it and shrink it to create cute charms and tags.

### Magnet Madness

Give your fridge a makeover with some bottle top magnets and a decorated magnetic shopping list notepad.

### LED torch

Light up your world with this little torch made completely from scratch.
